

O Democracy, the Government of the people,
by the people, for the people.
O Democracy, people get to choose
O Democracy, leaders win and lose.
O Democracy, the importance of obeying,
the law is as easy as sipping through a straw.
O Democracy, the voice we have fought for,
has no reason to be thrown behind a door.
I have the rights to be protected from abuse
may be a microphone can come to good use.
I have the right to speak up because I have a backup.
I have the right to talk and walk away.
I have the right to stand on my two feet and move to the front seat.
I have the right to be raised well and peel an orange's shell.
I have the right to be protected from discrimination and live in this nation.
I have the right to have basic needs and eat sunflower seeds.
O Democracy is where the constitution limits the majority
and protects the minority.
O Democracy, I have a beautiful voice,
so I should make a good choice.
O Democracy, everybody gets to have equal rights,
and it is given without any fights.
O Democracy is where everyone should cherish
and sing and let freedom ring!
