

An Ode To Democracy

Democracy makes me feel I have a reason to be here.

It makes me feel like I can really make a difference;
an impact.

It allows us to freely broadcast our religions and beliefs for our future
generations.

I hear our offspring continuing to thank the people who fought to have the
vote,

I clearly see us carrying the trophy to our rights and freedom,

I reach out to touch the value of our citizenship,

And I can feel a mighty force keeping us in an upright home.

We have to pick up the threads of others and keep our privileges.

We are so blessed to have what we do.

Democracy is what is keeping our country at peace.

If we don't have that, we won't be in a secure country.
